

Tell Scomo to have a heart!
Don't take money from our Kinders!

Today, all four-year-old children have access to **15 hours of government-funded kinder per week.** But this is under threat.

The Federal Coalition is refusing to fund their share beyond December 2019. This means **families will face an extra \$2,000 in childcare costs per child.**

Some of our kids will simply miss out on valuable early education.
